MAY 2010 INTAKE

PREAMBLE

The Mombasa Polytechnic University College is a Centre of Excellence in Technical and Vocational Training for the Country's needs and beyond.

Our Training is practical and Industry oriented producing graduates with the right attitudes and skills geared towards achieving Vision 2030.

Our students have participated in various scientific and Technological exhibitions and have won numerous accolades, the latest being the National Robot contest held in Nairobi where they emerged position one. Apart from Business, Hospitality, Media, and related courses, The Mombasa Polytechnic University College is the only Technological University in the Coast region.

The College has Laboratories and Workshops equipped with modern state of the art facilities that give our students a competitive edge in Electrical, IT, Medical Engineering among others.

Mode of Service Delivery.

- Lectures, Industrial attachment and Project work.

Expectations.

The graduates of the MPUC are expected to cater for the needs of the industry in fulfilment of the aspiration of the country to be industrialized by 2030.

Competitiveness of Graduates.

- Self driven

(a) DEGREE PROGRAMMES FOR SELF SPONSORED STUDENTS

- The Mombasa Polytechnic University College is a Constituent college of JKUAT and it's curriculum is approved by the JKUAT Senate and taught by Senate approved lecturers
- The examinations are moderated, administered and processed by JKUAT Senate.
